This explanatory statement contains the information required under Rule 10.06(1)(b) of the Listing Rules. Its purpose is to provide the Shareholders with information reasonably necessary to enable them to make an informed decision on whether to vote for or against the ordinary resolutions to be proposed at the AGM in relation to the Repurchase Mandate.

1. REASONS FOR REPURCHASE OF SHARES

The Directors have no present intention for any repurchase of Shares but are seeking the granting of the Repurchase Mandate to give the Company the flexibility to do so if and when appropriate. The Directors believe that it is in the best interests of the Company, the Group and the Shareholders to have a general authority from the Shareholders to enable the Directors to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net value of the Company and its assets and/or its earnings per Share and will only be made if the Directors believe that such repurchases will benefit the Company, the Group and the Shareholders.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued share capital of the Company comprised 4,090,000,000 Shares.

Subject to the passing of the ordinary resolution granting the Repurchase Mandate and on the basis that the issued share capital of the Company remains unchanged as at the date of the AGM, i.e. being 4,090,000,000 Shares, the Directors would be authorised under the Repurchase Mandate to repurchase, during the period in which the Repurchase Mandate remains in force, up to 409,000,000 Shares (representing 10% of the total number of issued Shares as at the date of the AGM) with an aggregate nominal value of HK\$40,900,000.

3. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the Articles and the applicable laws of the Cayman Islands.

Pursuant to the Repurchase Mandate, repurchases will be made out of funds of the Company legally permitted to be utilized in this connection, including profits of the Company or out of a fresh issue of Shares made for the purpose of the repurchase or out of share premium account or, if authorised by the Articles and subject to the applicable laws of the Cayman Islands, out of capital of the Company and, in the case of any premium payable on the repurchase, out of the profits of the Company or from sums standing to the credit of the share premium account of the Company or, if authorised by the Articles and subject to the applicable laws of the Cayman Islands, out of capital of the Company.

The Directors do not propose to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital or gearing position of the Company which, in the opinion of the Directors, are from time to time

appropriate for the Company. There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited financial statements contained in the annual report of the Company for the year ended December 31, 2018) in the event that the Repurchase Mandate was to be exercised in full at any time during the proposed repurchase period.

4. INTENTION OF DIRECTORS AND CONNECTED PERSONS TO SELL SHARES

None of the Directors nor, to the best of their knowledge and belief, having made all reasonable enquiries, any of their respective associates (as defined in the Listing Rules), have any present intention, if the Repurchase Mandate is approved by the Shareholders, to sell any Shares to the Company or its subsidiaries.

The Company has not been notified by any connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell Shares to the Company, or that they have undertaken not to do so, in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

5. SHARE PRICES

The highest and lowest prices at which the Shares have been traded on the Stock Exchange during each of the following months were as follows:

	PER SHARE	
	Highest	Lowest
	<i>HK\$</i>	
2019		
March (since the Listing Date)	2.90	2.70
April	3.80	2.85
May (up to the Latest Practicable Date)	2.99	2.70

6. SHARE REPURCHASES MADE BY THE COMPANY

No repurchase of Shares has been made by the Company during the previous 6 months (whether on the Stock Exchange or otherwise).

7. DIRECTORS' UNDERTAKING

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases of Shares pursuant to the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

8. EFFECT OF TAKEOVERS CODE AND MINIMUM PUBLIC FLOAT

If, as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition pursuant to Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or group of Shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of increase of the interest of the Shareholder (and concerted parties, if any), could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rules 26 and 32 of the Takeovers Code.
